AR-CL-P / DEVELOPMENT SPECIFICATION BRIEF

Curler Premium.

Complete the suite’s styling offer.

A coordinated curling-tool design for high-touch guest services. Premium pairs metal accents with the finish palette of the dryer and mirror.

Create a styling service that feels like part of the property. Curler Premium complements the suite’s haircare and vanity setup, while a managed lending approach keeps the operational requirements visible. Final heat settings, safety features and kit contents are confirmed with the production model.

01

A matching Premium finish palette

02

A suite and concierge-service brief

03

A presentation-led storage concept

Current status

Design concept in development. Not a final specification, performance claim, certificate or offer of available stock. The exact product must be qualified before purchase.

THE DETAILS / AR-CL-P

Specification brief.

Defined = collection identity. Proposed = design direction. Unverified = evidence required before commercial release.
