AR-MR-P / DEVELOPMENT SPECIFICATION BRIEF

Makeup Mirror Premium.

Bring the dressing space into focus.

An illuminated circular mirror with a slim metal-finish frame and a stable-base design. A coordinated focal point for the suite or dressing table.

A dressing space should work as well as it looks. Mirror Premium combines a clean silhouette with the same finish language as our Premium haircare tools. The design brief treats light, viewing position and daily handling as one problem—not separate accessories.

01

Slim circular frame

02

A coordinated dressing-table setup

03

Freestanding base design

Current status

Design concept in development. Not a final specification, performance claim, certificate or offer of available stock. The exact product must be qualified before purchase.
