AR-CL-P / DEVELOPMENT SPECIFICATION BRIEF

Curler *Premium.*

Make the evening part of the experience.

A signature styling-tool direction for suites and high-touch guest services. An elevated presentation for the preparations that happen before a memorable night out.

The celebration begins before the restaurant, the ballroom or the first photograph. Curler Premium brings a more considered styling concept to your amenity program, with a coordinated finish and a proposed presentation kit for those personal moments.

01

A coordinated visual language across the Premium collection

02

A presentation-led styling service concept

03

A brief that pairs guest experience with safe operational handling

Current status

Design concept in development. Not a final specification, performance claim, certificate or offer of available stock. The exact product must be qualified before purchase.
