AR-MR-L / DEVELOPMENT SPECIFICATION BRIEF

Makeup Mirror *Lite.*

Put the finishing touch in the right light.

A freestanding illuminated-mirror direction for a getting-ready space that works beyond the bathroom. An approachable addition to guestrooms, dressing tables and compact vanities.

A beautiful room can still leave a guest searching for a mirror near the light. Mirror Lite puts that everyday need at the centre of the design brief: a useful position, a considered footprint and a clear view before the day begins.

01

A freestanding concept for flexible room planning

02

Illumination and viewing comfort at the heart of the brief

03

An accessible expression for a consistent room-by-room experience

Current status

Design concept in development. Not a final specification, performance claim, certificate or offer of available stock. The exact product must be qualified before purchase.

THE DETAILS / AR-MR-L

The specification *starts here.*

Defined = collection identity. Proposed = design direction. Unverified = evidence required before commercial release.
