AR-MR-P / DEVELOPMENT SPECIFICATION BRIEF

Makeup Mirror *Premium.*

A vanity moment worth making room for.

A statement illuminated-mirror direction with a considered metal finish and architectural presence. Created for the dressing spaces guests wish they could take home.

Give the vanity the same point of view as the rest of the suite. Mirror Premium explores a generous circular form and a refined metal finish, bringing the look of the room and the reality of getting ready into one composition.

01

A coordinated finish language with Hairdryer Premium

02

An architectural focal point for the dressing space

03

A specification brief that considers light, stability and daily care together

Current status

Design concept in development. Not a final specification, performance claim, certificate or offer of available stock. The exact product must be qualified before purchase.

THE DETAILS / AR-MR-P

The specification *starts here.*

Defined = collection identity. Proposed = design direction. Unverified = evidence required before commercial release.

DETAIL	CURRENT BRIEF	STATUS
Collection reference	AR-MR-P	DEFINED
Category	Premium freestanding illuminated makeup mirror	DEFINED
Finish direction	Champagne or Graphite / metal-finish study	PROPOSED
Light quality and adjustment	Colour rendering, colour temperature and dimming are not yet validated	UNVERIFIED
Magnification and viewing angle	Final optical configuration requires sample approval	UNVERIFIED
Power and location suitability	Confirm the market-specific electrical arrangement and installation location	UNVERIFIED
Dimensions, weight and materials	Production data to accompany the approved sample	UNVERIFIED
Hospitality-use warranty	Written coverage and service terms required before sale	UNVERIFIED

Placement and service

Treat it as part of a complete dressing station, not a decorative object placed wherever space remains.

Imagined for: Suites, premium dressing tables, bridal preparation rooms and spa-adjacent spaces
