AR-HD-P / DEVELOPMENT SPECIFICATION BRIEF

Hairdryer Premium.

A stronger presence. A finer finish.

A slim handle, a sculpted barrel and a coordinated metal-finish palette. Hairdryer Premium is the signature haircare design for suites and design-led hotels.

The objects guests handle should match the room around them. Premium gives the dryer a more deliberate presence, with a refined finish and controls placed within the handle. Pair it with a matching mirror or specify it as a standalone room upgrade.

01

Refined barrel and handle proportions

02

Tactile control placement

03

Coordinated Premium finishes

Current status

Design concept in development. Not a final specification, performance claim, certificate or offer of available stock. The exact product must be qualified before purchase.
